

# CMSI 4072 Project

Names: Ian Comey, Callista Napitupulu, Kevin Thomas

Project: Async

Date: 2/26/2025

---

## Accomplishments

- Successfully migrated to a new backend and database.
- Outlined plan for new features.
- Set up application routing and page layout.
- Created a basic home page and dashboard.

## Scheduled Tasks

- Finish setting up user login and authentication (In-Progress).
- Finish calendar and assignment integration (In-Progress).
- Design and Implement revamped discussion board layout.

## Identified Problems/Risks

- Unable to meet during Spring Break.
- Messaging features may be difficult to implement with remaining time.
